Dear Robbi Lamm,

Welcome Home! I trust you arrived back safely from the Old World and that your stay and cruise was a refreshing break.

It was great to see you & your wife again but alas only for a ~~too~~ rushed hour. There is much that I wanted to talk to you about --- Now that you know our geographical location, perhaps you will drop in more often when you are on one of your transAtlantic missions even if its just for a mu—vg! of tea (with apologies to Naomi!?)

In retrospect I don't know if I made myself clear about my awareness of my Talmudic ignorance/apathy. Its a problem but over analysis, especially of ~~the~~ retrospective nature, doesn't really help. We all have our intimate conflict + challenges, and this happens to be one of mine. Anyway I've taken your advice. I'll try again with ש"ס in the holiday combined with a daily session of ש"ס on ש"ס and hope that with time -----

Many thanks for your charming gift - It was unexpected! Please do send me any articles that will keep me going

I was thinking of making a small tape of p'sid's for ^{the} Lamm's this summer of the latest Tabor Haridic "Top of the Pops" from the circles of ש"ס to ש"ס !! with the accent on !. ש"ס

With fondest wishes to you all

Michael, Naomi, Shoshie + Gavriel T.

P.S.

I've just come across ש"ס. Paradoxically conflict should be a source of joy and action!!
