Mr. Erwin Lipstadt
370 Amsterdam Avenue
New York, New York 10024

Dear Mr. Lipstadt:

It was a pleasure receiving your letter informing me of potential candidates for membership at The Jewish Center, as well as your post-script concerning Center activities during the summer, and the report from your daughter aboard the SS Shalom.

If this letter is delayed to you, it is because I am dictating ~~me~~ here at camp, and then sending it into the city for typing by my secretary, who is away on vacation until the beginning of August. Immediately after this letter I am dictating the two notes to the Schwalbe's and Doft's.

Please convey my warmest personal regards to Mrs. Lipstadt, and when you write to your children please remember us to them. Naturally, Mrs. Lamm and the children send their affectionate regards.

Cordially yours,

RABBI NORMAN LAMM
