Dear Rebbi Lamm,

Just a note before I am off. I
recently received doublet of the enclosed from my
American friends, taken at the WUJS Philadelphia
Encounter in ELLul. I would like you to have one
cat. Excuse my lack of humility in sending you
the two simple portraits of my ecstatic singing
~~playing~~ percussive playing!!

in particular

I hope E.Y + Kfor Chabad will prove an inspir
and that my overall impression will be ~~an~~ positive
anticipate all the 2091 p/ro etc + to be ~~forewarned~~ ^{positive}
to be forewarned - p/ro? I come across this intras
puce of A. Pope this week:

Trust not thyself, but your defects to know
Make use of every friend + every foe,
A little learning is a dangerous thing
Drink deep or taste not the Pierian spring,
There shallow draughts intoxicate the brain,
And drinking largely sobers us again.

Thanks for your letter. I am glad that 3"on 'gid' are
once more resounding in your lounge! I mention
Miranda v Arizona in my exam in discussion on

admissibility of conference!

Be well,

Regards to all
