Mr. and Mrs. M. Okun
61 Pinewood Drive
Longmeadow, Mass.

Dear Mr. and Mrs. Okun:

Permit me to extend to you my sincerest greetings upon the occasion of the consecration of a Sefer Torah to be presented to Kodimoh on June 21st in memory of your late and beloved son Henry.

I believe it is a most satisfying way in which to memorialize one who is so dear and precious to you.

I hope and pray that you will continue to search his memory in a manner so befitting the tradition of the Okun family.

May the Almighty grant you many many years of health and happiness and "nachas" from Bill and his wife and children, years in which you will continue to participate in the progress of Judaism and Torah.

With fondest regards,

Sincerely,

RABBI NORMAN LAMM
