Dear Mr. Michael:

I just heard from [REDACTED] of Washington. Apparently, he is again being pressured to leave his job because his handicap makes him the most likely victim of "budgetary cuts."

In keeping with your letter to me of April 27, I am now sending along some of the scientific papers of [REDACTED] in the hope that your letter to Admiral Rickover will prove effective.

I cannot tell you how important it is for the survival of the whole family to come to the assistance of this rarely gifted scientist and precious human being. I am heartily grateful for your help.

Cordially,

RABBI NORMAN LAMM
