My Dear Rabbi Lamm,

Your letter was received with great joy and I had the privilege of reading it to the congregation who were present at BETH TALMUD TORAH for MOSAYE SHABATH Prayers. They were all delighted to receive your good wishes and blessings and they all joined in and pronounced "HASHEM YISHMEREYHOO", May He Bless You and Your Family with Good Health, Happiness and Long Life.

Please forgive me for not replying earlier as I was very busy for the past 2 weeks.

Dear Rabbi, although it is 2 months since you left Bombay, I can still hear your melodious voice ringing in my ear. I must admit that your last farewell lecture at the "KNESET ELIYAHOO SYNAGOGUE" was very touching, and you have charmed the audience with your memorable words which cannot be forgotten for many days to come.

On behalf of the members and students of BETH TALMUD TORAH please accept my gratitude and thanks for all the kind assistance promised by you to our institution. Shalome.
