SUBJECT:

Dear Rabbi Lamm רב'ה

The good news of your election arrived in Israel today. I was truly delighted. It is comforting to know that America's major orthodox institution will be in the capable hands of an outspoken and courageous exponent of authentic Torah hashkafah who will personify the quest for unity and reconciliation. I look forward to many positive and innovative developments and to cooperation in many spheres of mutual interest.

May Hashem crown your efforts with success.
