Dear Norman:

May I take this opportunity to express to you my sincerest wishes of Mazel Tov on your election to the Presidency of Yeshiva University. It was truly a delight for me to read of this assignment in the news media and to have it confirmed in a letter by Mr. Max Etra, the Chairman of the Board of Yeshiva University.

As close as I have been with Yeshiva these past years, your appointment as its President, brings the aspiration of Yeshivah University that much closer to me. It is truly a privilege to know that a colleague, an associate and a friend has undertaken the obligations to assure a vital future for the institution that has played so major a role in my life.

If there is anyway at all in which I can be of assistance, please never hesitate to call upon me.

Once again, my sincerest congratulations and Mazel Tov to you, to Mindy and to your family.

Sincerely yours,

Jack Reiner
