Dear Dr. Lamm:

Regarding your shivur Wednesday night on
 חובת הלבבות which I thoroughly enjoyed,
 I checked the חובת הלבבות (ח"ב ח"א)
 and there, too, found your "two ח"ב."

First, ח"ב presents the classic חובת הלבבות
 (parts 2+3 of the ק"ס as you explained)

and then adds: "אם כן..."

which seems to be a reference to the first ח"ב
 (parts 1+2 of the ק"ס), also part of חובת הלבבות.

I've enclosed two translations of the חובת הלבבות.

Thank again,

JJ Schacter
