Hon. Jacob K. Javits
911 Park Avenue
New York 21, New York

Dear Senator Javits:

On November 23, 1963, Rabbi Norman Lamm preached a sermon to the congregation of The Jewish Center, 131 West 86th Street, New York City, entitled "The Sun Has Set" a tribute to President John Fitzgerald Kennedy.

The entire congregation was so greatly moved by the tribute that it requested copies of the sermon.

Hence, I am enclosing this grateful homage in words to you for your perusal and if I may suggest, it is worthy of inclusion in the Congressional Record as a statement from the Jewish Community on our terrible loss.

Sincerely yours,
