

Please convey to Jonathan warmest good wishes from Mrs. Lamm and myself, as well as from Shalom and our other children, and the hope and prayer that the promise he has shown thus far will begin to be realized during his studies at Yeshivat Kerem B'Yavneh.

Kindly use this occasion as well, to offer to Jonathan both my personal and official invitation to him to come to Yeshiva University as a student immediately upon returning from Israel. He is the kind of young man whom I welcome with open arms, and I believe that his own spiritual and intellectual growth will be enhanced by his studies at Yeshiva.

Our warmest regards to Mrs. Sacks, and our congratulations to your congregation for tending to Jonathan this well-deserved bon voyage party.

Cordially yours,

NORMAN LAMM
