

George Bugliarello, President

Polytechnic

August 23, 1976

Dear Dr. Lamm:

I cannot tell you how delighted we all are at the Polytechnic that a person we are so proud of having as one of our alumni has become a leader at Yeshiva University. I am deeply convinced that in education the time is now to combine science and strong moral leadership. Your presidency at Yeshiva gives us this in New York.

I very much hope that it may be possible for you to visit us at Polytechnic to meet old friends and to make new ones. In the meanwhile, please accept my warmest regards and good wishes.

Sincerely yours,

George Bugliarello
