Dear Norman and Walter,

I received your letter of December 28th informing me that my article "The American and the Jew," which appeared in the Fall, 1960 TRADITION has been selected for inclusion in "A Tradition Treasury."

I am, of course, very pleased to have been one of those selected to appear in this volume, and this letter is my written consent for its publication.

Kindest personal regards and best wishes.

Cordially yours,

Rabbi Emanuel Feldman
