Dear Moe:

Concerning the [REDACTED] fiasco,  
I had spoken to Rabbi Kahaneman at least  
twice. I very much fear that the situation  
is beyond his control at this point.  
Rabbi [REDACTED] has already agreed to the  
"Heter." The problem is the circumstances  
under which this was done. I think that  
Dr. Weiss can enlighten you more in the  
discouraging aspects of the case.

Sincerely,

Rabbi Norman Lamm
