Dear Rabbi Lamm,

Soviet Jewry Many thanks for the \$200 check for
which I enclose receipt.

In the two weeks from 26th April to May 11,
we have pulled off three major achievements.
The development of the organization within this time
has been fantastic. By the end of the month
we hope to have achieved a broadly

(May 24-31) conceived fast near the Soviet Mission, lasting
a week with every College represented as well
as ^{some of} the main ^{Jewish} ^{synagogues} and some Protestant,
Catholic and Negro involvement. Also a

(May 31) mass High School Demonstration. The personal
effort of myself and a few others is enormous (little
sleep, etc). Our structure is emerging well
but we badly need a focal point in a central
office with mimeograph machine, etc. Any suggestions?
A large room or even a roomy loft would do.

P.T.O

I have not yet been able to make the proper
link up with Mr. Wolfson.

We are gaining support on a wide basis.
