RABBI'S STUDY

בעזרת השם

April 14, 1970

Rabbi Norman Lamm
The Jewish Center
131 West 86th Street
New York, New York 10024

Dear Norman:

I received a letter from Rabbi Kirshblum in Jerusalem and he warmly endorses Seymour Lachman's proposal that we get an expression from American Jewish academicians with regard to the "who is a Jew" problem.

Are you following through with Seymour's suggestion?

Warmest personal regards and best wishes for a Chag Kasher ve-Sameach.

Yours as ever,

Emanuel Rackman
Rabbi
