My dear Reverend Rosenfeld:

I am interested in purchasing your recently published and excellently prepared volume of the "Kinot" an English translation.

Please inform me of the price, in dollars, for about three-hundred and fifty (350) copies, the possibility of having them inscribed with the name of the synagogue and the time it will take to have them delivered to us.

I look forward to your answer as soon as possible.

Very truly yours,

RABBI NORMAN LAMM
