

Subject: I'm sorry to say this, but
To: Norman Lamm <chernick@ymail.yu.edu>

You are really the *Gadol Ha'bayis*. You're helping so many in the family – as always – but these days especially my kids and grandchildren - that they are all amazed when they come together and you are invariably the subject, and the model they teach their kids, when they talk about the family. It is always "the Lamms" who are the ideals, "the quintessential family". How Mom and Pop would swoon if they just heard the echoes in *Olam Ha'ba!*

I envy you; and, yes, I love you.

Gut Shabbos,

Moish
