Mr. Samuel Rudin  
415 Madison Avenue  
New York, New York

Dear Mr. Rudin:

I am writing this letter on behalf of Mrs. Lamm and myself, to tell you how very pleased we are with the services of our new superintendent, Mr. Alfred Sanches. We have found him to be at all times, courteous, co-operative, and helpful.

We are especially impressed by his attitude towards the Jewish tenants in the building. For the first time since we moved into 27 West 86th Street, a superintendent has decided to devote one corner of the lobby to Hanukkah "Menorah" and decorations, in addition to the usual Christmas paraphernalia in the building. Neither I nor anyone else requested this of Mr. Sanches. The fact that he did so voluntarily, together with his brother, Bobby (whom we find to be a perfectly delightful and friendly person), certainly speaks well of him.

A landlord so often receives complaints, we thought you might like to receive this letter of commendation and appreciation.

Warmest personal regards,

Sincerely yours,

RABBI NORMAN LAMM
