we coming with Yehovah Alhazir

from a eulogy of Maimonides by
your contemporary, R. Ychudoh Alharizi

From you, Master, derives all our praise;
From you - all our greatness;
Your ways were supreme and profound,
And your work towered high above ours.
You were born to be a messenger of G-d,
And if you were made after the same likeness,
It is because of you that G-d had said:
"Let us make a man in Our image. . ."
