Dear Dr. Lamm,

In my last letter to you, concerning halakhic correspondence between R. Weinberg and your grandfather, I forgot to enclose the two letters of R. Weinberg to Prof. Atlas. I am sure you will find them interesting as they show that even leading halakhists can be troubled by aspects of Jewish law.

Sincerely,

Marc Shapiro

Dr Shapiro:
This is "dynamite!"
Do you have the original
only - in his handwriting?
And would you care to
share text copies with me?
I'd be ever grateful!
