Rabbi Norman Lamm
27 West 86th Street
New York, New York

Dear Rabbi Lamm:

The publication of "The Road to Responsible Jewish Adulthood" represents the first time to my knowledge that the case for Tsnius, the traditional Torah attitude towards the relationship of the sexes has been set forth with the American teenager in mind.

We would like to obtain the largest possible readership for the book.

In promoting its sale, I should like to include quotes from a number of prominent personalities. Might I trouble you to give your evaluation of the book in a brief paragraph.

Please do so with the understanding that I will feel free to make use of your statement in print.

With thanks, I am

Sincerely yours,

Rabbi Pinchas Stolper
