Dear Norman,

I have your letter of June 23rd addressed
to Rabbi Zev Gotthold.

Rabbi Kahaneman of the Ponovize Yeshiva
may still be in America. I would suggest you
contact him immediately, in my name, and assign
to him the responsibility to get the results. If he
has gone, would you please write to him, in my
name, in a similar vein. This is in reference to
the responsa you are awaiting from Rabbi Rozovsky.

re:
Rabbi R.

With kindest personal regards, I remain

Sincerely yours,

Moses I. Feuerstein
