Dear Rabbi Lamm,

Several months ago you wrote to Rabbi Klaperman regarding the son of Rabbi Schapiro, who was denied permission to leave from Belgorod. I was wondering whether you had any further word on this case, specifically, whether he ~~has~~ been allowed to emigrate as yet. We will continue our efforts in his behalf until word of his departure is received. However, it often takes weeks until we find out of the arrival in Israel of those on our lists.

Thank you for your help.

Sincerely,

  
Malcolm Hoenlein
