Dear Professor Ginsberg:

I am pleased to send you enclosed some documents relating to [REDACTED] and about whom I spoke to you this afternoon.

I have met [REDACTED] and found him to be a most pleasant and presentable person. Some dear friends of mine know him personally and can vouch for his integrity.

Anything that you can possibly do to help him would be most deeply appreciated.

Thank you very much.

Cordially,

RABBI NORMAN LAMM
