Dear Rabbi Lamm: *דוד סטאבסקי*

I have just returned from a brief vacation in Denver and was thrilled to learn of your being elected president of the Yeshiva University. I hasten to add my mazol tov to you and wish you much hatzlacha in the tasks that are before you. I know that Hashem will guide you as He has done in the past to be ^{the} articulate and brilliant spokesman on behalf of Torah Jewery.

With best wishes from house to house for a Kisavah V'chasimah Tovah.

As ever,

דוד סטאבסקי
