Rabbi G. Felder
8 Dalton Road
Toronto, Ontario, Canada AIRMAIL

Dear Rabbi Felder:

I would like to turn to you for your opinion on a question that falls directly within your field of competence.

The enclosed is a copy of a letter which I received from a young man who has turned Orthodox (from Reconstructionism!) within the last several months. He is a thoroughly genuine *genuine* *guy* *182* and I would like to offer him an authentic solution for his problems.

You may be sure that I deeply appreciate your expert assistance.

Very truly yours,

RABBI NORMAN LAMM
