Mr. Harold R. Shapiro
c/o District Attorney of the
County of New York
155 Leonard Street
New York, N. Y. 10013

Dear Mr. Shapiro:

Thank you for the reprint of your most recent effort in the field of "Gematria."

Whereas I have my doubts about how seriously to take the whole enterprise, I certainly enjoy reading the various connections that are made with the assistance of this method. Your own effort in this matter is quite interesting.

Thank you again.

Cordially yours,
