Dear Norman,

The announcement of your election as President of Yeshiva University at the RCA convention last Saturday night at ארבע עשר was received with much applause and gratification. May we express our heartiest best wishes of 216 פס"נ to you on your assumption of this position - one of the most prestigious in the Jewish community the world over. As one whose association with Yeshiva goes back more than a quarter of a century, you are well acquainted with every facet of this giant enterprise, and its meaning to the survival and growth of Torah within the framework of our modern day life.

We are confident that with your unique talents, your vision and dedication, you will be an illustrious follower of our beloved '27 Dr. Samuel Belkin ז"ל.

May G-d bestow upon you his benign blessings of good health, vigor of mind & of heart in your new tasks.

Respectfully
Abe & Esther Zuroff
