Rabbi Norman Lamm
The Jewish Center
131 West 86th Street
New York, New York

Dear Rabbi:

Al Hellerstein called my attention to Justice Warren's citation of your article on the Fifth Amendment in the Miranda case. I am most impressed indeed and shall hereafter read all of your articles with a view to their suitability for citations in briefs and the like.

Our best to Mindy and the children.

Sincerely,

Paul H. Baris
