Rabbi Haham Gaon
4, Ashworth Road
Maida Vale, England

Dear Haham Gaon:

Although I have not received any response yet to my previous confidential note, I do want to communicate with you now concerning the Indian problem.

When I returned from India in February I sent you a copy of the Gittin currently in use by the Bene Israel. It will be most beneficial to the Jewish community in India to receive from you or your office advice concerning the proper procedure to be followed, and most especially, correct copies of Gittin. Mr. Abraham Jhirad of the UOJCI has informed me that several requests for this information have not yet received any response.

Would you be kind enough, Dr. Gaon, to respond to them and satisfy their legitimate requests.

With all best wishes.

Sincerely yours,

RABBI NORMAN LAMM
