Dear Rabbi Lamm,
Shalom

Before commencing the letter I and my wife wish you, Mrs Lamm, and members of your family A Happy New Year and Well over the Fast, and many, many more to come. Amen.

I and my wife are well by the Mercy of God and hope the same attends you, your Mrs and all at home.

Rabbi N. Waxman, Secretary General, Rabbinical District Court, Tel. Aviv, Israel, was in Poona, with the Director of Jewish Agency, Bombay, Mr G. Bick and was really pleased and impressed on Poona. I wonder if you have met him. He is an orthodox Rabbi.

Nothing more except kind regards, and all good wishes & respect I close. My wife joins with me.

Yours Very Sincerely
