I shall appreciate considerably if you will mail to me your recent article upon the subject of "The Role of the Synagogue in Sex Education", which has appeared in the most recent issues of News and Views, published by the Commission on Synagogue Relations of Federation. If there is any charge for this article, I shall remit most cheerfully when advised by you.

Kindly convey my personal regards to my cousin, Morris Satin, who, together with myself, are your loyal and appreciative admirers for your splendid accomplishments in the Orthodox Rabbinate.

Most sincerely,

*Jules Lipschutz*
