2. Thurs. 25 yrs ago. last. 18th - 19th
- 1st - got several families

8. Wrote I to Newark?

4. responsible for the maintenance of the - you can do
plenty more. say on your own

- we haven't much earlier than this...
- yet can learn from them...
- clearly secretly letters
- urge you to try your best
- at it - > you define audience

5. all this = part of the whole

- write to the public (i.e. all) - the public
 - the public is the public is the public
 - the public is the public is the public
 - the public is the public is the public
 - the public is the public is the public

I recommend to the public is the public
not only the public is the public
but the public is the public
and the public is the public
and the public is the public
