

CHAPLAIN RONALD H. GROSS

Dear Rabbi Lamm:

I have a few questions which I hope you may be able to help with. Did Hymie write any articles of value while he was at the Jewish Center? If so could you send me copies? Also, did he write any articles or print any talks while in Springfield? How could I get any copies?

Second, what do you think would be an appropriate memorial to him? I spoke to you about publishing a Book of his writings. I first of all do not have everything he wrote and secondly I do not really know how to go about putting it together. Could you offer any suggestions?

Third. Could you recommend any sources ( in addition to Hedge of Roses) which gives a good and comprehensive explanation of "Tahrat Hamishpacha"?

I am enclosing a copy of the Bulletin which I put out on Yom Haazmaot. In it I included an article which Hymie<sup>BS</sup> wrote while on the staff of the Jewish Agency.

Once again Thanks for everything.

Sincerely,

*Ronnie*
