Rabbi Dr. Walter Wurzbarger
Shaarei Shomayim Congregation
840 St. Clair Avenue West
Toronto, Ontario, Canada

Dear Wääter:

I am enclosing a list of twenty-four (24) articles which we selected for inclusion in the volume we intend to co-edit. (Incidentally, I would recommend one of two names: "The Best in Tradition," or "A Tradition Treasury.")

The total number of "Tradition" pages for the twenty-four (24) articles enclosed is 430 for all of them, and 388 if we exclude No. 13 and No. 14. To this has to be added the Halakhic Digest we talked about, to be prepared by Rabbi Jakobovits, plus a few extra pages of introduction and biographical description of contributors.

May I recommend that you now try to group these articles into various areas such as: Israel, The Synagogue, America, Review Articles, Criticism, etc.

I await your response in alienated disintegration, anxiously awaiting my monistic redemption.

Co-editorially yours,

RABBI NORMAN LAMM
