The Honorable Hugh L. Carey
State of New York
Executive Chamber
Albany, N.Y. 12224

Dear Governor Carey:

I am grateful to you for your kind expression of good wishes upon my election as President of Yeshiva University.

Dr. Belkin, who was both my teacher and mentor, often spoke glowingly of his friendship with you.

I pray not only that I prove worthy of his mantle of leadership, but that I also have the privilege of winning your friendship.

Cordially yours,

NORMAN LAMM
