P.S. I received the Forum
reprints and am grateful
to you for them. All my
best for a Shana Tova!

Dear Norman,

I am sure you are now overwhelmed with letters
and greetings. But I would like to put in my personal
very good wishes.

I am convinced that Yeshiva University is
extremely fortunate in having you to lead it and
causing it to grow as an outstanding scholarly and
educational institution which will give expression
to your intellectual perceptions, your view of
Judaism and your commitment to promote the
confrontation of Halakha Judaism with modernity.

With my warmest Shana Tova greetings.

בְּרִיטָה וְחֵן טוֹב

Cordially,

Dr. Zvi Yaron

I am sure you received Forum
and the reprints.
