Dear Norman,

I hope that this does not embarrass you too greatly, but it is all very deeply felt and meant.

Our beloved Zeida (זיידה) would have had much nachas from the wonderful name you have made for yourself; your wisdom and learning; and the high position in Orthodox Jewish circles that you hold.

But, I feel, that he would have been most proud and pleased to know that you, like he, throughout his blessed life, will always make the time and find the compassion to help those

less fortunate than yourself. You, of all of us, come closest to wearing his mantle.

Regardless of the outcome, job-wise, Abe & I are will be ever grateful. We only hope that it will be our good fortune to turn the tables someday and do you a good turn.

Love,
