Rabbi Doctor Norman Lamm, President
Yeshiva University
500 W. 185th Street
New York, N. Y. 10033

Dear Rabbi Lamm:

It is, indeed, gratifying to learn that Williamsburg reaches the top rung of the ladder again.

Although we have not personally met, I knew your parents quite well. Many years ago I was privileged to serve both as the Assemblyman of that district and as President of Congregation Adas Yeshurin, where your father was a distinguished and respected congregant.

I have followed your brilliant career over these many years and I am confident that you will bring Yeshiva University to phenomenal heights.

Some day I hope we may meet personally.

Mazel-tov and may the Almighty grant you and yours many years of good health.

Sincerely yours,

AARON F. GOLDSTEIN
