Dear Rabbi Lamm:

Will you be good enough to write a guest comment on the enclosed article by Rabbi Jakobovits?

Am also enclosing two recent reprint booklets which may be of interest.

With kindest regards.

Yours,

Herbert Ratner, M.D.

P.S. I haven't had an opportunity to answer your last letter as yet---but will soon get to it. Thanks for the Rabbis' Statement on Abortion.

Have just discovered Frederic Wertham's The Sign of Cain. He has two good chapters on the Malthus Myth and Euthanasia which we hope to reprint in Child and Family.
