

Dear Rabbi Lamm,

When I received your letter I
knew it was a rather hopeless
cause. The resolution had been ^{reintroduced}
roaded through, Rabbi ^{Reuven} Kats
not attending out of protest. Since
certain circles (Agudah) would like
to make political hay out of it, I
was told that whatever ^{appeared} in
the press is all that will be published.
Instructions to the rabbis how to handle
Bnai Israel applicants have not been
issued yet. Neither the text of ^{the re-} ~~the~~ 17-
salution nor the directive. I doubt
whether he'll rescind it, though pressure
is brought to bear on him and others.
As soon as anything further will
develop, I'll let you know. Rabbi
Mizsim ^{twice} took me severely to
task for your backing out of the
deal sending Rabbi Shweika to
^{Shweika}

Borinbay. In order to avoid losing
ground ^{there} there entirely, particularly
after the Conservative Benjamin group
has consented to have him, possibly
our ^{ministry} ministry together with the WJC
may send him there for half a

year. I personally am sorry that the
UOSC is taking such an attitude. Have
you found anyone better?

Keep well,

Have received neither Spring nor
Fall issue of TRADITION!

SHALOM,
Zvi Gottlieb
