## WEEK 2

The Facilitator Guide will help you lead the conversation. [Brackets] indicate simple cues for you, as a facilitator, not intended to be read aloud.

### Conversation Starter:

What is the best customer service experience you've ever had? (*Hint: think restaurant, hotel, retail store, etc.*)

[Play the Recap Video, then move onto the Discussion Questions.]

### Discussion Questions:

**Question 1:** Describe a time when someone went out of their way to serve you. How did it make you feel?

- **Read Mark 10:35-43**

**Question 2:** Jesus' disciples were arguing because they all wanted to have the top position in his entourage. Why do you think our natural tendency is to desire titles and authority? What kind of legacy do we leave when we only focus on ourselves?

- **Read Philippians 2:3-8**

**Question 3:** By stepping into humanity, Jesus gave up his rights as God. He lived out humility, serving others and ultimately gave His life in exchange for yours and mine. How does Jesus' example flip this paradigm of what it means to be successful?

**Question 4:** Jason said, "*The most important question in life may not be **what** am I here for but rather **who** am I here for?*" Share what this distinction means and how this can affect the way you live?

**Question 5:** We are never more like Jesus than when we serve and give our lives away for others. Let's not *talk* a good game, let's roll up our sleeves and do this together. When and where can we serve together?

[During group check out <https://berich.org/serve/> and choose a Serve opportunity. Find a partner that resonates with your group and select a time you can serve together.]

### Pray:

Pray for your upcoming serving opportunity and ask that God would use your time and energy to help others see the love of Jesus in a tangible way.
