This Facilitator Guide will help you lead conversation with your LIFE Group.

[Brackets] indicate simple cues for you as a Facilitator, not necessarily to be read aloud.

CONVERSATION STARTER

Does anyone get lost anymore? With GPS on our phones and tablets, it seems almost impossible. But have you ever gotten lost while driving somewhere? Where were you going? And be honest, how scared were you?

[Play the Recap Video, then move into Discussion Questions.]

DISCUSSION QUESTIONS

Question 1: Has anyone ever addressed something difficult with you, and you received it well? What was it about them or their approach that made you feel safe?

Question 2: Read Romans 12:9-16. How could you begin a conversation that promotes honor, value, harmony and safety in one of these contexts?

- With an employee
- Your child
- A police officer [when pulled over!]
- With a sibling
- Your child's teacher
- With a neighbor
- Your spouse or significant other
- With your closest friend

Question 3: In what relationship(s) do you need to establish or re-establish safety? Is there a friend or coworker—even a family member—with whom you don't feel safe? Do you need to be honest and tell them?

CHALLENGE

Just because we've been talking about Crucial Conversations, it doesn't mean we're all engaging in them. Who do you need to talk to, and have you been putting it off? Ask God to give you wisdom and courage, and the resolve to say something. Pray for each other, own this together.
