Discussion Questions

Question 1: If an angel appeared and called you “favored one” (like Mary’s story from last week in Luke 1:28) or “mighty one” (Judges 6:12) why would you question those names?

Question 2: When was a time God helped you through a situation that was bigger than you?

Question 3: We are all called to be mighty warriors in our lives, families, neighborhoods, workplaces, etc. What fears are holding you back and causing you to hide in your winepress?

Question 4: You can come out of hiding because God will be relentlessly faithful to you, He will be with you. How can you gain strength in your area of fear by holding God’s hand and acknowledging that you are in His presence?

Pray: God, help us to overcome our fears and rely on your presence and faithfulness.
