### Intro

B // // // | F# // // | G#m // // // | // // F# // //

### Verse 1

B                      F#              G#m      F#  
All who are broken, all those in need  
B                      F#                      G#m      F#  
Come to the Savior, come and find peace  
B                      F#              G#m  
Good news is calling the dead to arise

### Interlude (x2)

F# // // | B // // // | F# // // | G#m // // // | // // F# // //  
Our God is alive, oh

### Verse 2

All are invited, all can find grace  
No one is too far, all can be saved  
Good news is calling the dead to arise  
Our God is alive

### Chorus

F#                                      G#m  
You took the weight of our sin  
   E      B  
You made us whole again  
F#                                      G#m  
Death could not hold You down  
   B  
Our God is alive  
F#                                      G#m  
All of our debt has been paid  
   E      B  
Jesus You made a way  
F#                                      G#m  
This is the hope we have found

### Interlude (x2)

F# // // | B // // // | F# // // | G#m // // // | // // F# // //  
Our God is alive

### Verse 3

We won't be silent, we can't stop now  
More need to hear the gospel resound  
Good news is calling the dead to arise  
Our God is alive

### Interlude (x4)

B // // // | Bsus // // //

### Bridge (x2)

B                      Bsus  
Let our song go on  
B                      Bsus  
Let Your gospel sing  
B                      Bsus  
Let Your fame be known  
B                      Bsus  
Let our praises ring  
B                      Bsus  
You have made a way  
B                      Bsus  
You have overcome  
B                      Bsus  
You have conquered death  
B                      Bsus  
You reign victorious

### Interlude (x2)
