

LIFE Group Curriculum - Week 1

This Facilitator Guide will help you lead conversation with your LIFE Group.

[Brackets] indicate simple cues for you as a Facilitator, not intended to be read aloud.

Conversation Starter

Let's begin with something that you never finished. Have you ever started a project and lost interest? What was it? And how did something so exciting or challenging become so un-motivating?

[Play the Recap Video, then move into Discussion Questions.]

Discussion Questions

Question 1: Why is it so important for someone to trust Christ? List your reasons as a group. Do you take any of these reasons for granted? If so, why?

Question 2: Luke 15:10 [NLT] says, "In the same way, there is joy in the presence of God's angels when even one sinner repents." Share two or three stories of people you know who became a life changed by Christ (i.e. your story, or someone you invited to LCBC). As you listen to each story, imagine what it must have been like to be in the presence of God when each person repented!

Question 3: Why is it sometimes difficult to share your story of life change with people who need Christ? What elements of your story could people relate to more easily?

Pray

Read Luke 15:3-10. Who is the one life that comes to mind? Who is the lost coin or lost sheep? Take time to share about the person on your mind. Pray for them as a group.
