

LIFE Group Curriculum - Week 3

This Facilitator Guide will help you lead conversation with your LIFE Group.

[Brackets] indicate simple cues for you as a Facilitator, not intended to be read aloud.

Conversation Starter

Share a time when you helped make a dream come true for someone... (a present, planning a surprise party, service project, etc.)

[Play the Recap Video, then move into Discussion Questions.]

Discussion Questions

Question 1: How do others in your life show you that you matter? Share specifics about what makes you feel important to others.

Question 2: Why is it so hard to talk about money in church? READ Malachi 3:6-10
Is tithing a simple choice to either cheat God or receive His blessing?

Question 3: David put his budget on screen during the message. If we put your budget anonymously on screen what would we look for to know that you trust God with your money? [Hints: know where your \$ is being spent, tithing, opportunities for generosity beyond tithing]

Challenge

We can get stuck thinking everything needs to be in order before we obey. Where in your life do you need to show obedience first and allow God to order the rest?

Pray

Pray for each other that our light would shine bright into the darkness this week.
