

## LIFE Group Curriculum - Week 4

This Facilitator Guide will help you lead conversation with your LIFE Group.

[Brackets] indicate simple cues for you as a Facilitator, not intended to be read aloud.

### Conversation Starter

Who was your best friend in elementary school? What did you do for fun together?

[Play the Recap Video, then move into Discussion Questions.]

### Discussion Questions

READ: Ezekiel 18:21-24, 30-32

**Question 1:** In the gathering David talked about Hell, how it is such a terrible and painful place. But what are three things that Ezekiel 18 tells us about God's desires?

**Question 2:** [Part 1] Whose name(s) did you write down this weekend? [Part 2] Understanding that everyone's life is racing towards eternity, what are you willing to do *this week* to influence others so they would not end up in Hell?

**Question 3:** What will prevent you from doing what it takes—from sharing Jesus with others? Talk about your fears, be honest about what holds you back.

### Challenge

As a life group, how can we pray for each other to overcome these obstacles?

### Pray

Pray for the names that you wrote down, that they might become lives changed by Christ. Ask God for boldness and courage to share the love of Jesus.
