

# FIND YOUR PEOPLE

## Visioning Your Group

*Why does LCBC encourage everyone to get in a Group? Do they really make a difference or is this just something to add to an already full calendar? Find out why there is power and purpose when we find our people.*

**Conversation Starter:** Pick one of the questions below to get started.

- Who was your best friend growing up? Are you still connected?
- What is the dumbest thing you did with a group of friends?

## Ice Breaker: *Emoji Charades*

- Download “Emoji Charades” from the App Store or Play Store and have some fun as a group.

## Discussion Questions:

**Question 1:** If you had to pick an emoji to describe how you’re feeling about your season of life, what would you choose and why?

**Question 2:** John said, “When we do life alone, we get weird.” Why is it so important to have other voices and perspectives in our lives?

**Question 3:** Finding your people changes everything. What are some things the paralytic experienced because of his connection with others? Who else benefitted as a result?

**Question 4:** What is something you are hoping to gain from this Group experience? What do you hope is different as the result of our meeting together over the next 6-8 weeks?

**Values:** *As a part of a group you can expect to experience these values as you reciprocate them to those around you.*

- **Belonging** - Groups are a place to experience acceptance. It doesn’t matter who you are or what you’ve done, you are welcome here.
- **Becoming**- We meet together to get better, to grow and change. Throughout our Group experience we’ll be challenged to take your best next step!
- **Building**- We don’t want to just consume, but contribute. We’ll encourage you to add value to your circle of influence.

**Expectations:** *By saying yes to this group, you’re agreeing to three things.*

- **Show Up**- The only way to benefit from Group is to be here. This Group has committed to meeting for the next \_\_\_\_ weeks. Life happens, but do what you can to make this time a priority.
- **Speak Up**- When you’re here, engage! You don’t (and shouldn’t) dominate the conversation, but the Group will benefit from hearing your unique perspective that is shaped by your story.
- **Get Real**- Don’t be afraid to be yourself. We all have shame and shortcomings. While you don’t have to bear your soul, we’ll always encourage you to be real.

**Prayer:** *Spend a few minutes praying for one another.*
